SIR,

Adverting to correspondence ending with Retrenchment Committee letter No.R.C.275 dated 18th December 1913 regarding the grant of leave to C. Nagappa, clerk, and the appointment of S.R.Venkatasubbaiya B.A., Accountant of this office to work in his place in the Retrenchment Committee, I have the honor to report that S.R.Venkatasubbaiya who is permanent in the grade of 30-3-45 in this office and sub-pro-tem in 50-3-65 grade now applies for the last increment in his permanent appointment which he would, in the usual course, have earned from 1st December 1913 But under note 1 of Article 90, Mysore Service Regulations there is some audit objection to allow of this increment being granted without the order of Government. There is likewise this difficulty in regard to the increments to be earned by him in the sub-pro-tem grade.

2. As the work of the Retrenchment Committee is not entirely outside the ordinary work of Venkatasubbaiya, who was working in the Budget and Resource Section of this office and as depriving him of increments would work very hard on him, I request that Government may be pleased to issue formal orders declaring that his service in the Retrenchment Committee does not debar him from getting the increments earned by him in his permanent and sub-pro-tem appointments in this office.

3. I may add for the information of Government that in Article 160 of the Civil Service Regulations which is exactly similar in wording to Article 90, Mysore Service Regulations it has been explained in the Madras Supplement to Civil Service Regulations that the prohibition in this article is based on the principle that an officer, while so employed does not acquire the additional experience for which the incremental pay of his substantive post is granted and that if such experience is being gained, the increment may be granted during the period of the temporary service.

4. What is wanted for the satisfaction of audit department is a clear order of Government stating that after reversion to his place in the Comptroller's Office, Venkatasubbaiya would draw the pay or salary which he would have got in ordinary course if he had not been deputed.

I have the honor to be,

Sir,

Your most obedient servant,

Comptroller.
